Re: Extension request.
Case Name HAWKINS V. HAGLER ET. AL
Case No. 7:21-cv-08404-KMK

Dear Judge Karas,

I hope this letter finds you well. I represent the Plaintiff in the above-referenced matter. I would like to respectfully request an extension to complete the explanation for the feasibility of a motion for summary judgment by November 16, 2022.

Unfortunately, this past week I had to let go of two of my paralegals, and I have been addressing issues caused by the termination. I do apologize for this inconvenience, but hopefully, I can get the letter done by Wednesday.

Thank you for your time and consideration of this request.

Denied. This request is untimely, as it is filed on the eve of the pre-motion conference. Moreover, the initial letter, which was filed before the paralegals were let go, was obviously insufficient. The conference will go forward as scheduled.

Respectfully Submitted,
